

COVID-19: Important information for our customers and partners

Typic Hotels™ is very much aware that events related to the COVID-19 coronavirus require us to make an extra effort. Therefore, all Typic Hotels and Apartments will remain closed while indicated by both Government measures and international security guides, to avoid risks and contribute to stop the spread of the virus.

We are offering 100% flexibility to change the dates of your MAY reservations, without management fee, but please note that modifications are subject to availability and may include price variations. If you do not know yet the dates when you'll be able to travel, you can request a bonus to be redeemed during Sesons 2020 and 2021.

If you booked directly with us and want to modify or cancel your booking, please send us an email to reservas@typichotels.com and identify your reservation.

Guests who booked through online travel agents or other third-party travel professionals like Booking.com, Expedia, Travel Republic or others are advised to contact their booking provider for information on the policies they are applying.

If your booking is for months after May, please wait. We are aware that the COVID-19 pandemic and the response from the Government and health authorities are constantly changing and developing. Please note that the criteria in this document are therefore subject to change over time.

Thanks in advance for your comprehension and please stay safe.
